

CARTOON ACTION ★ HOUR ★

THE 1980'S ACTION CARTOON RPG

That's right, the world of 1980s action cartoons is a role-playing game! With **Cartoon Action Hour**, you can jump into the action with robots that transform, furry warriors, barbarians with magic swords, and paramilitary heroes!

KARGORR: *Phooey! Nostalgia, schmostalgia. Why play any of those goody two-shoe losers, when you can be the most vile and powerful arch-fiend the cartoon world has ever known... Kargorr!*

What? That's me, you buffoon!

Don't worry - he's always like that. Anyway, **Cartoon Action Hour** is a rad new RPG from Z-Man Games, the producers of **Shadowfist** and **Grave Robbers from Outer Space**. It's two books in one 192 page softcover manual, and it only costs \$24.95! Inside you'll find everything you

need to make up your own cartoon heroes, whether in an already existing cartoon world, or one of your own creation! We even start you off with a copy of **Iconia**, our science-fantasy series based on the fictional cartoon series "Warriors of the Cosmos".

Want more than just the main book? No problem! We have two other Series Books available for you. Play the paramilitary heroes of the Dark Brigade defending the world from vampires, werewolves, and zombies in **Darkness Unleashed**, or portray heroic giant transforming Transbots trying to defeat the evil Warbots in **Metal Wars**. Both books have 64 pages of jam-packed cartoon goodness, each for only \$16.95! You can also check out our electronic magazine **After These Messages....** Only \$5 an issue gives you access to the latest **Cartoon Action Hour** stuff in Acrobat Reader (PDF) format from both the creators and the fans.

If you want to learn more about **Cartoon Action Hour**, you can check out the Z-Man Games website at <http://www.zmangames.com/CAH>, or the Spectrum Game Studios website at <http://www.spectrum-games.com>.
